## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN APPLICATION USING  
AN APPLICATION DATA SHEET (37 CFR 1.76) AND POWER OF ATTORNEY

As the below named inventors, we declare that:

This declaration is directed to Application No. PCT/DK2005/000097, filed on 14 February 2005.

We believe that we are the original and first inventors of the subject matter which is claimed and for which a patent is sought;

We have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment specifically referred to above;

We acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in 37 CFR 1.56, including material information which became available between the filing date of the prior application and the National or PCT International filing date of the continuation-in-part application, if applicable; and

We hereby appoint the practitioners at Customer Number 25908 as our attorneys or agents to prosecute the application identified above, and to transact all business in the United States Patent and Trademark Office connected therewith.

All statements made herein of our own knowledge are true, all statements made herein on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patent issuing thereon.

| SOLE OR FIRST INVENTOR |                                                                                      |
|------------------------|--------------------------------------------------------------------------------------|
| Name                   | Allan Sørensen                                                                       |
| Inventor's Signature   |  |
| Date                   | 21-2-2005                                                                            |
| Citizenship            | Danish                                                                               |

| SECOND INVENTOR      |                                                                                      |
|----------------------|--------------------------------------------------------------------------------------|
